Dear Grade 3 Parents,

I will be preparing the children for First Communion this year. I would like to bring back the tradition of the Grade 3 Parents hosting the Communion breakfast. This would involve organizing the food, collecting monies, decorating and setting tables etc.

I would like to have one parent in charge of this occasion and oversee all details and several helpers. This job could be added to volunteer hours and will be posted on the portal.

First Communion will take place on Sunday, May 6, 2018.

Let me know if you are interested in helping.

Sincerely,

K. Neri
