Assumption School Holy Rollers Mountain Bike Club

Dear Students and Parents,

April and May are great months for mountain biking! We will have our first session after school on Friday, April 13th.

Parents and older siblings are encouraged to join us. If you are interested in helping, please let me know ahead of time. The more the merrier!

The kids will expect fun with their bikes and classmates. They will be taught and then practice skills associated with biking. After kids have shown they have mastered the appropriate skills on our school grounds, we will venture out to the trails to practice some of our skills.

The leaders will expect kids to show up with bikes, helmets (mandatory), biking clothes - no uniforms please - water, snack and a willingness to use the skills taught to them. A working mountain bike is required for trail riding. Please make sure your child's bike is in good working order beforehand.

While we will take reasonable steps to prevent injuries to students, some degree of risk is inherent in the nature of activities, and may occur without fault on the part of the student, school, its employees or agents, or the facility where the activity is taking place. By allowing your child to participate in these activities, you are agreeing that the activities described above are suitable for your child, and that there is a risk of injury associated with these activities.

WHO: Grade 3 and above

WHAT: Awesome Mountain Bike Club

WHERE: Assumption School Field and trails near the Music Academy and perhaps Duck Lake. Sessions will begin and end at Assumption School.
