Welcome back! I hope everyone had a restful and relaxing Spring Break!

Holy Thursday Assembly

Please join us on Thursday March 29th for our annual Holy Thursday assembly at 2:15pm. This year we will be having a Tenebrae service (based on the liturgy of shadows) and will be led by our senior students. It is a solemn service that will guide the students through the passion of Jesus Christ.

Spring Flower Basket Fundraiser

Yesterday, order forms came home for our 2nd year of a spring flower (and more!) fundraiser. The plants last year were amazing! Please consider supporting this beautiful fundraiser. Forms are also available in the school office.

Save the Date!

We are having a fundraiser beer & burger night on Friday April 27th at St. Joseph's Hall. Mark your calendars to save this Friday night which will be a fun evening of socializing! 😊 We will be raising money for our Bridget Bigold Memorial Tuition Bursary to assist families who require financial assistance with tuition payments.

Parent Evening

Tuesday April 17th at 7:00pm, we are having our annual CISVA "Sexuality and Your Child" parent evening at *St. Joseph's Hall* where we will be screening the documentary *Over 18*. The purpose of the Sexuality and your Child Meeting is to support parents as the first and primary educators to transmit the truth and meaning of human sexuality to their children.

Over 18 is a clear-eyed examination of modern pornography and its effects on kids, teens, parents, and porn stars. In addition to interviews with porn producers, ex-porn stars, and academics, directors Jared and Michelle Brock highlight the story of Joseph, a 13-year-old boy who is recovering from a porn addiction that he fell into when he was nine years old. The film compares what porn used to be in the magazine era and what it's become in the age of the internet, and demonstrates why kids, in particular, are susceptible to addiction.

So far, *Over 18* has been screened 300+ times in various community settings, including universities, parent-teacher associations, churches, NGOs, and Canada's Parliament. Find more info about the documentary here: <http://over18doc.com/>
