Recognition Assembly

Please join us for our first monthly recognition assembly this coming Monday November 27th at 9am.

Wacky Wednesday

This Wednesday November 22nd, our students participated in a Wacky Wednesday dress up day. After a presentation from representatives from Powell River Victim's Services, our middle school students in the Social Justice elective class were inspired to support Powell River's Grace House.

In support of their memorial shoe display in the mall, we asked families to send in a pair of used, but good condition, women or children's shoes or a small donation for Grace House and we are so thankful for the amazing generosity! We will continue to collect shoes until Dec 1st and then they will be put on display in the mall to raise awareness about violence against women. The shoes will then be donated to the local Grace House for women and children in need.

Gift Card Sales

Our PEC is planning a gift card fundraiser prior to Christmas that will be great for your holiday shopping! Watch for an order form coming home for sales between November 23 and Dec 1st. There are 73 retailers to choose from plus 3 local restaurants. There is no additional cost to you when you purchase gift cards as the school receives a percentage from the company (varying percentages based on the company). This fundraiser is in addition to the grocery card fundraiser that is ongoing and available each day at the office.

Poinsettia Pick Up

Be sure to give yourself an extra 5-10 minutes on Friday December 8th when picking up poinsettias to enjoy a sweet treat and hot drink with other families picking them up as well. Stay tuned to find out who sold the most poinsettias and won the incentive!

Volleyball

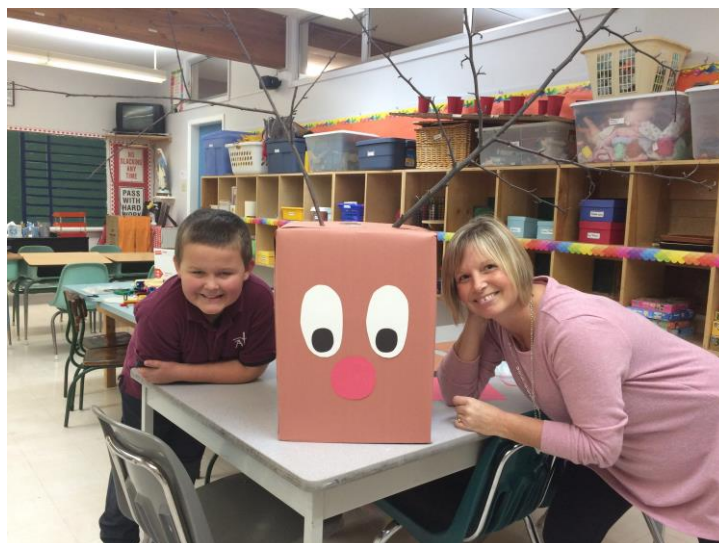

Our grade 5 to 7 students have a final tournament on Tuesday November 28th at Westview School. See the notices section for a permission slip if it didn't make it home or to check times.

Online Communication

All of our notices will be catalogued here: <http://assumpschool.ca/NOTICES.php> on our school website.

After School Care

Next week the students in After School Care will be beginning to construct a winter themed indoor mini-golf course. Here's a sneak peak:

Happy weekend!
