## We Scare Hunger

**Mark your calendars!** We have a school-wide initiative this year to help combat local hunger. On Hallowe'en, our students from grades 1-9 will be "trick or treating" for non-perishable food items. We will be going **rain or shine** so we ask that your child's costume is weather appropriate and that they are able to go for a walk in it. We have a need for volunteers to walk with the classes as well as drive vehicles slowly alongside so that students have somewhere to put the non-perishable food items that they pick up. I have done this field trip for many years with my grade 3 class and this year we've decided to take it on as a whole school initiative. Our Kindergarten students will help out by sorting and counting the donations we receive. Combined with our school's collection and the grade 3 & 8 classes going trick or treating last year, our school donated over 800 non-perishables to the food bank. Imagine what our count will be this year! 😊 Watch for your notice coming home today.

## Grade 7-9 Social

Our grade 7-9 students will be having a Hallowe'en dance/social on Thursday October 26<sup>th</sup>. They have lots of fun activities planned like dancing, bobbing for apples, and glow in the dark bowling. It sounds like a super fun event!

## Lunchtime Supervision

Our November lunchtime supervision dates have been put on the volunteer portal. Please sign on to the portal to see which shifts are available so you can help us out and fulfil your volunteer hour commitment.

## Grocery Cards

PTA is planning on having grocery cards for sale during our Parent-Teacher conferences on October 31<sup>st</sup> and November 1<sup>st</sup> so you can grab your cards after your interviews. The book fair will be happening during those days as well.

## Uniform Room

On Monday October 23<sup>rd</sup>, our uniform room will be open from 3:00pm-3:30pm. There is limited stock available and payments must be made in cash or by cheque.

## Rain

Looks like we're in for a bit of a stretch of rain. Please send your child equipped to play outside in the rain (boots, umbrella, waterproof jacket). We're not afraid of a little liquid sunshine here on the West Coast are we? 😊
