October 6, 2017

Popcorn Sales

Our Tuesday PTA popcorn sales are underway again. The popcorn is \$2/bag and is on sale in the covered area at lunch time every Tuesday until we run out. This was a huge hit with the students (and many staff!) last year so be sure to send in a toonie on Tuesdays to support this fundraiser.

Staff Retreat

Our spiritual retreat was wonderful. We enjoyed learning about and reflecting upon Father Comey's retreat theme of "I am the way, the truth and the life", kayaking, singing, sharing meals together, celebrating Mass outside (a Catholic squirrel joined too!) and spending valuable community bonding time together.

PTA Meeting

Our next PTA meeting is Tuesday October 10th at 6:30pm in the library. PTA will be providing coffee and treats for attendees! ☺ We will have child minding available for those parents who need it. The child care is by donation but we are suggesting a minimum donation of \$5 to make it worth our volunteer babysitter's time. Remember that attendance at PTA meetings counts toward your yearly volunteer hour commitment!

Bus

We had a parent report last week that a vehicle passed our school bus while the stop sign was out and the lights were flashing. We have safety procedures for boarding and exiting the bus that our students follow when using the bus. Our bus drivers do their best to ensure that the students follow these procedures. We cannot, however, control the actions of other drivers, so I ask that if you see a vehicle not following proper safety rules behind our bus (or any school bus) please contact the RCMP directly. It is best if you are able to include a Make/Model of the vehicle, colour, and a license plate.

Running Club

Brendan Maguire is looking for some adult volunteers to come running with students (Grade 2 and up) at 12:25 pm on Tuesdays and Thursdays for approximately 10 or 15 minutes of their lunch break time. If you are interested, please contact Brendan brenjmag@gmail.com

Sign In & Out

If you are volunteering in our school during the day, we ask that you please sign in and out at the office. This is a crucial part of our emergency plan so that we know you are in the building. Thank you for your cooperation!

Logs

Our students are enjoying using the new log rounds on the playground donated to the school by Julian Welp. Thanks to Beth and Jamie Zroback for organizing this new addition to our playground!

Happy Thanksgiving!

♥ Mrs. Berg
