September 1, 2017

Revised Calendar

Please see the attached revised calendar with the 2 additional professional development days in lieu added to the calendar. The term 1 report card dates were adjusted. We have one last professional development day to add to the calendar once we are able to schedule it.

Absences

If your child is absent, the school requires a note to fulfil the provincial government's audit documentation requirements. Please email Claudia at the office by 9am on the same day of the absence so that she does not call you to see why your child is not at school. If you have pre-planned absences, please email us before you go so we know when your child will be away.

Back to School BBQ

Preparations for this not to be missed evening have begun. Meet us under the covered area on Thursday September 7th at 5:30pm for hamburgers, hot dogs, veggie dogs, and water! Mr. Maguire will be manning the grill, Mrs. MacLeod has promised us some tunes on the guitar, and we'll be soaking up the last beautiful days of sunshine before we transition to fall. In order to adequately prepare for this event, we'd appreciate if you could RSVP to the office via email at assump.office@shaw.ca so we know how much food to purchase.

Volunteers

A big THANK YOU to the 19 volunteers we had help out at our work bee to get our school grounds looking great. We had parents, students, future students, grandparents, priests and parishioners show up to lend a hand! Our new slide should be ready for the first full day of school on Wednesday September 6th. Yay!

Pre-School

Cynthia has been working hard to revitalize the pre-school room for the opening on September 11th. She is looking forward to lots of playing, learning, and growing!

After School Care

Our After School Care is ready to go starting on Wednesday September 6th. Toni English has been working hard this summer to create a fun and relaxing space for your children after school.

Only 4 more sleeps until we're back to school! 😊

♥ Mrs. Berg
