Drop Off and Pick Up

I've been quite concerned with the amount of students who leave via our main door and walk directly into the parking lot unaccompanied by a parent. If you see me redirecting your child inside, it's because it is much safer if we have all students who do not catch the bus leaving via the yellow gate. We have a lot of vehicle traffic at the beginning and end of the school day. In order to keep our students safe, I ask that you please follow these guidelines.

Pancake Hot Lunch

A special thank you to our PTA parents and the Knights of Columbus who prepared an amazing pancake hot lunch as a welcome back to school treat. I'm sorry to have missed out on what looked like a very yummy and fun event!

Absences

A reminder... If your child is absent, the school requires a note to fulfil the provincial government's audit documentation requirements. Please email Claudia at the office by 9am on the same day of the absence so that she does not call you to see why your child is not at school. If you have pre-planned absences, please email us before you go so we know when your child will be away.

After School Care

Our After School Care has been happening daily since September 6th. The students are having a great time building and creating along with running and playing! If you want to sign your child up, please contact Claudia in the office.

Grocery Gift Cards

Great news! Gift card sales are going extremely well AND we now have volunteers to sell the gift cards Monday through Friday between 2:45pm and 3:15pm at the school office. The purchase of the gift cards assists our fundraising efforts for the year and can count towards your family's volunteer commitment. Gift cards are available for Safeway, Save On Foods, Pacific Point Market, Quality Foods, and Mitchell Brothers. Please consider supporting this great fundraiser!

Digital Threat Assessment Training

Katelyn Potesta, our learning resource teacher, and I attended a workshop today about social media and digital threat awareness. It was very informative and we are looking forward to preparing information sessions for staff, students, and parents in the near future. Watch your email and our Facebook page for more info about an upcoming event.

Happy weekend!

♥ Mrs. Berg
